Wisconsin Department Of Transportation Secretary

FRANK BUSALACCHI

aboutourspeaker

In January of 2003, Frank Busalacchi accepted Governor Jim Doyle's appointment to be Secretary of the Wisconsin Department of Transportation. Busalacchi was formerly the secretary-treasurer of Teamsters Local 200 based in Milwaukee, one of the largest Teamster locals in the state. He began with the Teamsters as a business agent in 1979 and was elected president in 1991 and secretary-treasurer in 1994.

Secretary Busalacchi leads one of the largest state agencies with over 3,300 employees and dozens of satellite offices. WisDOT's annual budget of nearly \$3 billion includes support for all modes of transportation, including state highways, local roads, railroads, public transit systems, airports, harbors and bicycle and pedestrian facilities. The department also serves 50,000 people each day through the Division of Motor Vehicles, while the Wisconsin State Patrol enforces laws and aids motorists throughout the state.

Secretary Busalacchi led the state's efforts to rebuild the Marquette Interchange Project in downtown Milwaukee. The \$810 million project was the largest highway construction job ever in Wisconsin. The project was completed safely, ahead of schedule, under budget and by involving the entire community.
